

A family run business established in 1981, we are proud to present our latest menu. We have reworked our menu to enable us to offer more authentic food and maintain a high standard of service. There is a dish to suite every taste.

We are also proud to support local businesses and all our ingredients are sourced fresh.

Due to the rise in costs of materials, energy and VAT and to maintain our quality and service unfortunately there has been a price increase. We apologise for this and thank you for your loyalty and support through these hard times.
